Good day to all!

I hope all of you are enjoying springtime and all the renewal it brings. Living in the National Capital Region, it is nice for me to see the ground again after winter.

In the last few months, TESL Canada has finished your strategic plan for 2023-2028. I would like to thank all those who attended meetings, and to the general membership who voted on three rounds of input in the committee's findings. The process took a year to complete, but I can say with confidence this strategic plan represents the conscience of our community.

I wish all of you the renewal spring brings, and Ramadan Mubarak for all who observe.

Regards,

Donald Moen

President
