Happy Fall Season to all!

Summer has been a great time to recharge and with that I would like to encourage all of you for the coming season and year. I know much of your work goes unrecognized, but rest assured that as fellow teachers we see one another and know how we affect change in Canadian society.

This Fall, we have an AGM that will be paired with speakers so that is something I look forward to as we return to some normalcy in this (potential?) post-pandemic era. This Summer we have continued with our strategic planning so look forward to another survey about our strategic goals coming this Fall.

In all your endeavours, I wish you all the best in this Fall season.
