

Cambridge Resources for Teachers

TESL Canada – 29 July 2020

Alberto Costa & Rosalia Valero

Summary:

Cambridge Assessment English strongly believes that effective preparation for language teaching and assessment depends on effective teacher support. In order to meet teachers' requirements and needs, Cambridge English has gathered a range of materials which are easy to access. These resources are ready to use with learners, for both synchronous or asynchronous lessons. Apart from downloadable resources, you can also choose from over 160 online activities to use with your learners on a computer, tablet or mobile phone. Participants will be introduced to online tools for writing practice with immediate feedback, to the teaching and digital frameworks and other new online resources. Enjoy!

Our key websites for educators:

Presenters:

Alberto Costa, Senior Assessment Services Manager Americas for Cambridge Assessment English, has worked as a teacher, teacher trainer and academic consultant for 30 years, having also worked as a course tutor for the teaching qualifications CELTA, ICALT and DELTA. He has been in Cambridge Assessment English for nearly 5 years and continuing professional development for teachers is one of his key interests

Rosalía Valero is Strategic Development Head Americas at Cambridge Assessment English. She manages education transformation activity in Americas, working with ministries of education and educational institutions and organisations. Rosalía's expertise lies in English language teaching and training, professional development, and English Language Teaching management.
