# TERMS AND CONDITIONS ACKNOWLEDGEMENT FORM

## Terms and Conditions

1. Additional documentation beyond that indicated in the application may be requested at any time during the review of the application by TESL Canada.
2. TESL Canada reserves the right to revoke the accreditation of the course at any time should there be evidence the course does not meet the accreditation standards.
3. The accreditation will be valid for one year after which time an Annual Report and Annual Reporting fee will be due. The institution must also have a current TESL Canada Associate Membership.
4. Changes to the course will be reported to TESL Canada in each Annual Report.
5. All approved courses will be promoted as meeting TESL Canada standards for short online specialized teacher training courses on the TESL Canada website.
6. Approval procedures, standards, requirements, fees and terms and conditions for TESL Canada's accreditation of short online specialized teacher training courses are subject to change.

## Acknowledgement

1. I have read and understood the accreditation process and the terms and conditions.
2. The information provided in this application is, to the best of my knowledge, true and correct as of the date of the application.
3. I fully appreciate that any negligent misrepresentation of the information contained in this application may result in the revocation of the accreditation.
4. I am authorized to sign this form on behalf of the institution.

Standard	Evidence
E.1 There are clear admission requirements for the course.	<ul style="list-style-type: none"> <li>Admission requirements are provided on the online registration page.</li> </ul>
E.2 There are documented course policies which are provided to participants at the start of the course.	<ul style="list-style-type: none"> <li>Course policies are provided to participants through the learning management system.</li> </ul>
E.3 A complete course outline is provided to participants.	<ul style="list-style-type: none"> <li>A course outline is provided to participants through the learning management system.</li> </ul>
E.4 The grading system for the course is transparent, with a clear indication of what constitutes a pass.	<ul style="list-style-type: none"> <li>The grading system is provided to participants through the learning management system. The grading system is clear.</li> </ul>
E.5 There is a course evaluation form or survey with which participants can provide feedback on the course after they complete it.	<ul style="list-style-type: none"> <li>There is a course evaluation form or survey in the learning management system.</li> </ul>

### Section F: Learning Outcomes

Standard	Evidence
F1. The course is based on clearly-articulated learning outcomes.	<ul style="list-style-type: none"> <li>The course learning outcomes are available in the learning management system and meet the standards.</li> </ul>
F2. There are learning outcomes are based on theory.	
F3. There are learning outcomes are based on performance or application.	

### Section G: Course Content

Standard	Evidence
G1. The course content aligns with the learning outcomes.	<ul style="list-style-type: none"> <li>The course content is available in the learning management system and meets the standards.</li> </ul>
G2. The course content includes both theory and practice.	

<p>G3. The course content is current.</p> <p>G4. The course content can be applied to the specialized context.</p> <p>G5. The course content is easy to follow in the learning management system.</p> <p>G6. The course content is engaging and motivating.</p> <p>G7. The course content includes a list of references and additional resources for future study.</p>	
--	--

### Section H: Assessments

<b>Standard</b>	<b>Evidence</b>
<p>H1. The assessments align with the learning outcomes.</p> <p>H2. There are at least two different types of assessments (test, reflection, planning task, activity creation, resource creation).</p> <p>H3. The evaluation frameworks for the assessments are valid, reliable, practical, and user-friendly.</p> <p>H4. The assessments evaluate both theory and practice.</p> <p>H5. At least one assessment can be customized by participants to the application of learning in their own employment context or a previous employment or practicum context.</p> <p>H6. At least one assessment requires participants to reflect on their professional practice with respect to the course content.</p>	<ul style="list-style-type: none"> <li>The assessments are available in the learning management system and meet the standards.</li> </ul>

# TESL CANADA FEDERATION TEACHER TRAINING STAFF QUALIFICATIONS AND EXPERIENCE FORM

**Completion Instructions:** Have each program staff member complete this form in Word. Name each document as *LastnameFirstnameLocationYYYY.docx* for example *WickettSuzanneUniversityofHalifax2020.docx*. Complete the required sections for the form, following the instructions given for each section.

There are also supporting documents required for each form. To submit the documents for each staff member, put all of the documents, including this form, in a folder named *LastnameFirstnameLocationYYYY* for example *WickettSuzanneUniversityofHalifax2020*. Zip the folder to upload it as part of the application.

Institution Name:
Date:

1	Name of staff member:
2	Role in the TESL program (Put a capital X next to the relevant role):  <div style="text-align: center; padding-left: 40px;">           Course developer            Instructor         </div>
3	Professional Certification Standard (Put a capital X next to all relevant certifications and indicate the date achieved):  <div style="text-align: center; padding-left: 40px;">           No professional certification            TESL Canada Standard One            TESL Canada Standard Two            TESL Canada Standard Three            Other (please specify) _____         </div>

**NOTE: If you HAVE professional certification, skip items #4 to #6, and move to item #7. If you do NOT have professional certification, complete items #4 to #6.**

4	English Language Proficiency (Put a capital X next to the relevant proficiency, provide scores for the relevant test):  <div style="text-align: center; padding-left: 40px;">           Native speaker of English            IELTS scores and date taken:            TOEFL scores and date taken:            Other proof of English language proficiency (see <a href="https://www.tesl.ca/certification/tesl-canada-professional-certification/english-language-proficiency-scores.html">https://www.tesl.ca/certification/tesl-canada-professional-certification/english-language-proficiency-scores.html</a>).  <b>Document to Attach:</b> Scan of standardized test scores.         </div>
