

Become a Board Member!

Leave your mark.

TESL Canada is calling on motivated and energetic individuals to serve on the [Board of Directors](#). We are currently recruiting board members for the 2018/2019 year. The deadline for [applications](#) is May 31, 2018.

TESL Canada finds itself at a precipice. With the transitions we have witnessed in the past year, we have been challenged to re-define our objectives, maintain our independence, and ensure successful and sustainable programs for teacher certification, teacher-training program recognition, professional development, and the TESL Canada Journal. Through the commendable commitment of our board, volunteers, partners, and members, we have managed to preserve and persevere.

With almost 30 years of experience behind us, what legacies do we want to contribute to the future of our profession in Canada? What are the stories we want to tell at our 30th Anniversary Celebration? What are the decisions we need to make now to make sure those dreams become realities?

Be a part of the team leading us into the future!

SAVE THE DATE!
