

Kindergarten Teacher

Teach kindergarten (K1, K2 and K3) and experience "real China" in a canal-lined mid-level city about an hour from Shanghai!

Teachers with 24 months experience as an English teacher and a TESL/TEFL certification will qualify for a work visa. Original, tailored curriculum is provided but freedom is given to each teacher as to how they approach any given lesson (teacher's guides are provided).

Generous salary and modern accommodations make for relatively easy living and lots of travel. Kunshan is a growing city with a thriving but close-knit expat community. Banyan Global Learning provides professional development and a network of teachers that focus on quality instruction today and enhanced job prospects whatever your next step may be.

Location: Kunshan, China

Start Date: August 2019

Contract Length: 1 year (10 months) with option to renew for a second year at max. salary

Job Benefits

- Monthly salary of 18,000 RMB (if a teacher stays for an optional second year, the monthly salary is 20,500 RMB and an additional 20,500 RMB bonus will be paid upon completion of a second-consecutive year)
- School housing (a single apartment or room in a shared apartment) or 3300 RMB/month stipend is provided in the first year of service (stipend is subject to local taxation)
- To offset the cost of transportation to Asia, 4500 RMB is provided as additional salary twice per year (once at the beginning of each semester) for a total of 9000 RMB travel stipend. Teacher does not need to provide any proof of travel (stipend is subject to local taxation)
- Limited health insurance for no-fault emergencies

Qualifications & Requirements
