

Online English Teacher (Work from anywhere)

Bring Language to Kids online!

Welcome to UASK Education! If you are enthusiastic, self-motivated, love working with kids, passionate about teaching language, our online teaching position is a perfect fit for you.

About UASK EDUCATION

The headquarter of UASK EDUCATION is located in Ottawa. With years experience of international education and overseas education consulting services, UASK is committed to promoting educational communication and cooperation between China and Canada, helping to exchange advanced educational resources. It has built a long-term close cooperative relationship with Universities Canada, Colleges and Institutes Canada, Ottawa Public Education Bureau, University of Toronto, University of Ottawa, Arcadia University, Algonquin College, Georgia Institute, etc.

Responsibilities and Duties

We believe that students teachers are provided with access to supplementary materials for lesson preparation and are also able to create custom content to best match their student's interests and needs. The basic role of the teacher is to:

- Deliver 1-on-1 and/or group English lessons using supplied curricula to Chinese students via interactive online teaching platform (training and support from professional team are provided!)

The classes

- 30-minute full immersion English class, 1-on-1 and/or group class
