SCHOOL DESCRIPTION:

Majestic International College is a BC Offshore private school located in the City of Foshan, Guangdong Province, China. The school covers an area of 40,000 square meters. Designed and constructed based on standards of international school, the campus is well-equipped with top-notch teaching facilities, including library, teaching building, science building, arts building, academic lecture hall, music rooms, dance rooms, piano studios, gymnasium, heated swimming pool, tennis courts, football field and basketball courts, etc. The 300-square-meter café and the 2,000-square-meter large-scale dining hall offer favorable service for teachers and students. The college also provides 300 four-bed rooms for students and 60 teacher apartments with furniture and electronic appliances.

The school offers Canadian British Columbia (BC) Dogwood courses, American Advanced Placement (AP) courses, British A-Level courses and IGCSE Standard Curriculum from Grade 7 to 12. We are currently looking for qualified full-time Canadian teachers with professional skills and relevant credentials. It opened in September 2017 and will graduate its first students in June 2020.

A LITTLE ABOUT FOSHAN CITY

Foshan City is a prosperous hub in Guangdong Province. The sub-tropical climate endows the area with abundant trees, year-round flowers and varied recreational opportunities. The city has many parks and green spaces with convenient transportation links to other major centres.
